FUZZY DUENKEL GO HOME! For Custom Senior Portraits

IT'S TIME TO UP YOUR GAME. As the one constant in an ever-changing field of photography, professional photographers must have a firm grasp on creative, versatile, and precise portrait lighting, which is vital to stay ahead of the never-ending avalanche of competition. Join Fuzzy for an in-depth discussion of how to light, photograph, price, and sell custom, on-location portraits of high school seniors.

Fuzzy is a master at outdoor and indoor lighting techniques – similar to those used in the fashion/commercial industry – but scaled down to work without an assistant. Fuzzy will cover lighting theory and various light modifiers, demonstrating how to create quality images that are unique, cutting-edge, and artistic. This workshop is guaranteed to teach key techniques and offer a fresh perspective.

FUZZY DUENKEL and his wife Shirley of West Bend, Wisconsin started their "mom and pop" business in 1975 photographing weddings. Since 1996 the Duenkels have concentrated solely on portraits. While they photograph babies, children, families and glamour, high school seniors are his favorite. Fuzzy insists on working on location with each

session. Fuzzy feels his specialty is his total comfort with

creating portraits in clients' homes, especially if he has never been there before.

Fuzzy has been awarded four Fuji Masterpiece Awards; has earned top awards for the Wisconsin PPA senior folio competition 12 times; was Wisconsin's Photographer of the Year twice; won Senior Photographer's International folio competitions five times; named Senior Portrait Artists' Photographer of the Year; and has had 29 prints selected for the National Traveling Loan Collection, in addition to numerous other awards and accolades.
